POLICY DEFINITIONS

The following defined terms and phrases are capitalized throughout the policy. Please read them carefully as they will help You understand the policy provisions.

Depending on individual selection, definitions may vary by policy.

ADJUSTMENT DATE -- means the effective date of a change in coverage made to the policy. The most recent Adjustment Date, if any, is shown on the Data Page.

AGE POLICY ANNIVERSARY -- means the Policy Anniversary on or next following Your birthday. For example, if You are 45 years old on January 1, 2023, and Your Policy Date is January 15, 2023, Your Age 55 Policy Anniversary is January 15, 2033.

BENEFIT RECIPIENT -- means the person or entity named as the Benefit Recipient in the application or a later written request to change the Benefit Recipient which is approved by Us. The term includes any lawful successors of the Benefit Recipient. Unless otherwise stated in this policy or attached riders, benefits will be paid to the Benefit Recipient. If no Benefit Recipient is named in the application or other written request, then the Owner is the Benefit Recipient.

CONTINUOUS DISABILITY -- means Your Disability that continues with no interruption. You will also be considered Continuously Disabled if an Interrupted Elimination Period or Recurring Disability occurs. It is also considered one Continuous Disability if You are Disabled from one condition and, while still Disabled from that condition, incur another condition that causes Disability.

DISABILITY/DISABLED -- means, when used alone, Total Disability. If the Residual Disability Benefit Rider, the Residual Disability and Recovery Benefit Rider, or the Short Term Residual Disability Benefit Rider is attached to this policy, Disability also means Residual Disability. If a Disability is caused by more than one Injury or Sickness, We will pay benefits as if the Disability was caused by only one Injury or Sickness.

Optional benefit riders provide additional income protection beyond the basic definition of Total Disability. The definition can be changed with a rider or with the True Own Occupation definition.

DOCTOR -- means a Medical Doctor (MD), Doctor of Osteopathy (DO) or Doctor of Chiropractic (DC) who is licensed by law, and is acting within the scope of their license, to treat an Injury or Sickness. If the Disability is due to a disease or disorder classified in the most current Diagnostic and Statistical Manual of Mental/Nervous Disorders (DSM) published by the American Psychiatric Association, the person must be a board-certified psychiatrist or a licensed doctoral level psychologist. If the APA no longer publishes a diagnostic manual or the APA ceases to exist, We may substitute a comparable diagnostic manual subject to approval by the Interstate Insurance Product Regulation Commission before use of the comparable diagnostic manual. The person cannot be You, any person related to You by blood or marriage, the Owner, the Benefit Recipient, a business or professional partner or associate, or any person who has a financial affiliation or business interest with You or Your spouse.

EARNINGS -- means:

If You are an employee with no ownership interest in a business entity, Earnings include the amounts as reported for federal income tax purposes of:

1. Your salary, wages, fees, draw, commissions, bonuses; PLUS
2. Any other income or compensation You earn; PLUS
3. Amounts You earned which would have resulted in current taxable employee compensation but instead were contributed by You to a benefit plan (e.g. Flexible Spending Accounts, etc.), or qualified tax-deferred retirement plan (e.g. 401 (k), 403 (b), 457, etc.); LESS
4. Unreimbursed employee business expenses.

If You are a business owner, such as: an owner of a sole proprietorship, a partner in a partnership, a shareholder of a corporation or subchapter S-corporation, or a member of a limited liability company or limited liability partnership; and You perform the duties or activities of Your Own Occupation or another occupation within the scope of a legal business entity, Earnings include the amounts as reported for federal income tax purposes of:

1. Your share (based on ownership or contractual agreement) of the gross revenue or income earned by all such business entities including income earned by You and others under Your supervision or direction; LESS
2. Your share (based on ownership or contractual agreement) of the usual and customary unreimbursed business expenses of those entities which are incurred on a regular basis, are essential to the established business operation of the entity, are deductible for federal income tax purposes, and do not exceed expenses before Disability began. Such expenses do not include salaries, benefits, and other forms of compensation which are payable to You, or to any person related by blood or marriage to You unless such person was a full-time employee of such business Working at least 30 hours per week for at least 60 days prior to the start of Your period of Disability; PLUS
3. Any contributions to a pension or profit-sharing plan made on Your behalf by all such business entities and not waived by contract during Disability.

Earnings do not include any form of unearned income such as dividends, rents, interest, capital gains, income received from any form of deferred compensation, retirement, pension plan, income from royalties, or disability benefits.

ELIMINATION PERIOD -- means the number of days of Disability from the start of a Continuous Disability for which no benefits will be paid. The Data Page shows the Elimination Period for the Disability Benefit section of this policy.

Available Elimination Period options are – 60-, 90-, 180-, and 365-day.

FULL TIME/FULL TIME WORK -- means Working at least the same average number of hours per week performing the Substantial and Material Duties of Your Own Occupation without limitation as You Worked during the 12-month period prior to Disability.

HOME OFFICE -- means Principal Life Insurance Company, [711 High Street, Des Moines, Iowa 50392-0001].

INJURY -- means accidental bodily injury which occurs on or after the Policy Date and while this policy is in force. If Your Disability begins more than 365 days after the date the Injury was sustained, the condition will be considered a Sickness.

INTERRUPTED ELIMINATION PERIOD -- means if Your Disability is not continuous the Elimination Period will be met if the required number of days of Disability occur in a period that is:

1. Twice as long as the Elimination Period; and
2. Less than one year.

Disability may be from the same or a different cause. The periods of Disability will be combined to meet the Elimination Period.

MAXIMUM BENEFIT PERIOD -- starts after satisfaction of the Elimination Period and is the longest time for which benefits will be paid for any one Continuous Disability. The Maximum Benefit Period for this policy is shown on the Data Page.

Maximum Benefit Period is based on the Benefit Period selected: 2 years, 5 years, To Age 65, To Age 67, To Age 70. Options vary based on individual policy specifics.

MAXIMUM MONTHLY BENEFIT -- means the maximum amount of disability benefit that could be paid out monthly under this policy and is shown on the Data Page.

OWN OCCUPATION -- means the profession(s) or occupation(s), not a specific job(s) or a job with a certain employer(s), and not Retired or Unemployed from, that You are Working in at the start of Your Disability. If You are Working in more than one occupation, Own Occupation includes all occupations in which You are Working at the start of Disability.

If Your Own Occupation is limited to a single professionally recognized specialty in medicine or dentistry and is in the scope of your degree and/or license, we will consider that specialty to be Your Own Occupation. If Your Own Occupation is in the practice of law, the specialty of law You were routinely performing when Your Disability begins will be considered Your Own Occupation.

The specialty language in "Your Own Occupation" definition provides protection for professional occupations where a Disabled Insured is unable to return to their professionally recognized specialty.

OWNER -- means the person(s) and/or entity(ies) named as the Owner in the application or a later written request for change of ownership which is approved by Us. The Owner may exercise every right and privilege provided by this policy, except that benefits will be paid as stated in the Payment Of A Claim provision in this policy. If You are not the Owner and the Owner dies before You, You become the Owner unless the Owner has provided for a successor Owner.

POLICY ANNIVERSARY -- is computed from the Policy Date. For example, if the Policy Date is January 15, 2023, the Policy Anniversary is January 15 of every year thereafter.

POLICY DATE -- means the date coverage under this policy begins. This date is shown on the Data Page.

RECURRING DISABILITY -- means a continuation of a prior Disability when:

1. The recurrence of Disability occurs while this policy is in force and results from the same or directly related cause as the prior Disability for which We paid benefits or provided the Waiver of Premium Benefit; unless
2. After the prior Disability ends You return to Full Time Work in any occupation for at least 6 consecutive months.

When an Insured becomes newly disabled after previously being disabled for the same condition, and without having worked six continuous months following the first occurrence, they're not required to satisfy a new Elimination Period before receiving benefits.

No new Elimination Period is required. We will pay benefits during the Recurring Disability for the remainder of the Maximum Benefit Period, if any.

REGULAR CARE BY A DOCTOR -- means:

1. You are evaluated in person by a Doctor; and
2. You receive treatment appropriate for the condition causing Your Disability; and
3. Your evaluations and treatment are provided by a Doctor whose specialty is appropriate for the condition causing Your Disability; and
4. The evaluations and treatment must be at a frequency intended to return You to Full Time Work; and
5. You must pursue reasonable treatment options or recommendations to achieve maximum medical improvement.

We may require You to have Your Doctor provide Us with a written evaluation and treatment plan for the condition causing Your Disability, which meets generally accepted medical standards and is satisfactory to Us.

We may waive, in writing to You, the Regular Care By A Doctor requirement if it is determined by Us that continued care would be of no benefit to You.

RETIRED -- means You are not Working in any capacity for pay or profit at the start of Your Disability and are receiving governmental retirement benefits, or qualified or nonqualified retirement benefits.

SICKNESS -- means an illness or disease which first manifests itself on or after the Policy Date and while this policy is in force. Complications of pregnancy and complications of childbirth are covered Sicknesses.

SUBSTANTIAL AND MATERIAL DUTIES – means acts that are normally required for the performance of Your Own Occupation and cannot be reasonably omitted or modified.

TOTAL DISABILITY – means solely due to Injury or Sickness:

1. You are unable to perform the Substantial and Material Duties of Your Own Occupation; and
2. You are not Working; and
3. You satisfy the requirements of the Claim Information section of this policy.] ^{4a.}

1. You are unable to perform the Substantial and Material Duties of Your Own Occupation; and
2. You are not Working in Your Own Occupation; and
3. You satisfy the requirements of the Claim Information section of this policy.

You will be Totally Disabled even if You are Working in another occupation as long as You are unable to perform the Substantial and Material Duties of Your Own Occupation.] ^{4b.}

Total Disability is the inability for the Insured to work in their own occupation and satisfy other requirements as specified in one of the two definitions of Total Disability for the length of the Benefit Period.

Disabled while Working in Another Occupation (True Own Occupation) is a definition that can be purchased at an additional cost, which means an Insured is considered Totally Disabled even if they are working in another occupation, as long as they are unable to work in or perform the Substantial and Material Duties of their Own Occupation.

If You are Retired, Total Disability means, solely due to Injury or Sickness, You are unable to perform any of the normal activities of a retired person in good health and of like age and You satisfy the requirements of the Claim Information section of this policy. If You are Unemployed, Total Disability means, solely due to Injury or Sickness, You are prevented from obtaining a job that You are reasonably suited to by Your education, training and experience and You satisfy the requirements of the Claim Information section of this policy.

UNEMPLOYED -- means You are not Working in any capacity for pay or profit at the start of Your Disability and are not receiving governmental retirement benefits, or qualified or nonqualified retirement benefits.

WE, OUR, US -- means Principal Life Insurance Company, Des Moines Iowa.

WORK/WORKING -- means You are actively performing a labor or service, including but not limited to supervision, management or direction for any business activity, for the purpose of receiving Earnings.

YOU, YOUR -- means the person named as the Insured on the Data Page of this policy.

DISABILITY BENEFIT

We will pay benefits for Your Continuous Disability that begins on or after the Policy Date and while this policy is in force and subject to the policy provisions. Benefits start to accrue at the end of this section's Elimination Period. Benefits will continue during Your Continuous Disability but not beyond the Maximum Benefit Period.

For Total Disability, We will pay the Maximum Monthly Benefit shown on the Data Page.

OTHER BENEFITS

This section describes additional benefits provided by this policy subject to the requirements specified in each of the following benefit provisions. In addition, You must satisfy the requirements of the Claim Information section of this policy to be eligible for these benefits.

TRANSPLANT SURGERY BENEFIT

We will pay benefits under the Disability Benefit section of this policy (subject to the terms and conditions of that section) if Your Disability results from surgery involving a transplant of a part of Your body to another person.

REHABILITATION BENEFIT

Rehabilitation is voluntary if You qualify for benefits under the Disability Benefit section of this policy. If You, the Owner and We agree in writing on a rehabilitation plan in advance, We may pay a portion of reasonable expenses. The goal of the plan must be to return You to Work.

Any rehabilitation plan must be approved in advance by Us and outlined in a written plan of rehabilitation. The monthly benefit payable under the Disability Benefit section of this policy (subject to the terms and conditions of that section) will continue, unless modified by the rehabilitation plan.

Rehabilitation benefits can help an Insured regain self-sufficiency. Some or all of the costs of the rehabilitation plan may be paid, as long the rehabilitation plan has been approved by Principal Life Insurance Company.

Rehabilitation assistance may include:

1. Coordination of medical services;
2. Vocational and employment assessment;
3. Purchasing adaptive equipment;
4. Business/financial planning;
5. Retraining for a new occupation;
6. Education expenses.

We will periodically review the plan and Your progress, and We may continue to pay for the agreed upon expenses as long as We determine that the plan will return You to Work. Your participation in a rehabilitation plan is not required by this policy. If You decide to participate and You later cease to participate in the rehabilitation plan, We will continue paying any Disability Benefits You are eligible to receive.

WAIVER OF PREMIUM BENEFIT

In a period of Continuous Disability, if You are Disabled for the lesser of 90 days or the Elimination Period and You satisfy the requirements of the Claim Information section of this policy:

1. We will refund the monthly pro rata portion of any premium paid for coverage after the date a Continuous Disability began; and
2. We will waive the payment of premiums which come due during the Continuous Disability.

When an insured is Continuously Disabled, they can stop paying premium for the duration of the disability, beginning at the earlier of 90 days or expiration of the Elimination Period.

Premium payments will begin on the next premium due date after You are no longer receiving benefits under this policy or Your Disability ends, whichever is later. We will not waive premiums beyond the Policy Termination Date on Your most current Data Page unless Your policy is renewed subject to the Conditional Renewal section of this policy and You later become eligible for the Waiver of Premium Benefit.

EXCLUSIONS AND LIMITATIONS

The following exclusions and limitations apply to this policy and any attached riders.

EXCLUSIONS

This policy does not pay benefits for an Injury or Sickness which in whole or in part is caused by, contributed to, or which results from:

1. Intentional, self-inflicted Injury; or
2. Declared or undeclared war or act of war; or
3. Your commission of or Your attempt to commit a felony, or Your involvement in an illegal occupation or activity; or
4. Active duty in the military service of any nation or international authority, or in a reserve component of the armed forces of the United States; or
5. Your voluntary participation in a riot or insurrection; or
6. Loss We have excluded by name or specific description in any attached rider or endorsement.

No benefits are payable for any period during Your Continuous Disability during which You are incarcerated in a penal or correctional institution for a period of 7 days or longer.

LIMITATION WHEN OUTSIDE THE UNITED STATES OR CANADA

Benefits will be limited to 12 months during Your Continuous Disability, and benefits will be subsequently suspended, unless You reside in the United States or Canada for at least six consecutive months in each calendar year. If You return to the United States or Canada following suspension of benefits, You may resubmit a notice of claim for benefits under this policy.

LIMITATION DUE TO NORMAL PREGNANCY OR CHILDBIRTH

If the Elimination Period for Your Disability Benefit is less than 90 days, then normal pregnancy and normal childbirth are not covered Sicknesses. However, if the Elimination Period is equal to or greater than 90 days, then normal pregnancy and normal childbirth are covered Sicknesses subject to the definition of Disability. This limitation does not apply to complications of pregnancy as diagnosed by a Doctor.

PRE-EXISTING CONDITION LIMITATION ⁵.

^{5a}. [There is no Pre-Existing Condition Limitation on this policy. All other limitations, benefits, and provisions of this policy remain in effect].

^{5b}. [We will not pay any claim for a Disability or loss which:

1. Begins within [2 years]^{5b} after the effective date of coverage(s); and
2. Results from a pre-existing condition which was not disclosed or was misrepresented in this policy's application.]

Pre-existing condition means a condition:

1. For which medical treatment, testing or medication was recommended by a Doctor or received from a Doctor within the [2 year] period prior to the effective date of coverage(s); or
2. Which has caused symptoms within the 1 year period prior to the effective date of coverage(s) which would cause an ordinarily prudent person to seek diagnosis, care or treatment.]

An undisclosed or misrepresented pre-existing condition may disqualify a claimant from receiving benefits. It can also lead to an incontestability review which could result in a loss of coverage. The length of time for a pre-existing condition review varies based on the policy.

LOSS OF LICENSE

While Your Injury or Sickness may result in the loss or restriction of a professional license, occupation license or certification, that loss or restriction, by itself, does not constitute a Disability.

OTHER EXCLUSIONS AND LIMITATIONS

There may be other exclusions or limitations in this policy, described in riders or endorsements attached to and a part of this policy, in addition to those stated in this section.

CLAIM INFORMATION

NOTICE OF CLAIM

You (or someone acting as Your legal representative) must give Us written notice of claim, including Your name and policy number, within 30 days of the date Your Disability began, or as soon thereafter as reasonably possible.

We will furnish a claim form upon Our receipt of notice of claim. If We do not furnish the claim form within 15 days after notice of claim was sent to Us, You or the Owner should send Us a correspondence describing in detail the date of Disability, the cause and extent.

PROOF OF LOSS

You (or someone acting as Your legal representative) must fulfill all of the following requirements:

1. Send any proof of loss requested by Us to Our Home Office within 90 days after the end of each monthly period for which You are claiming Disability.

If You have not submitted proof of loss acceptable to Us within one year from the date required, benefits will be denied. An exception will be made only if You and the Owner were not competent to make a claim.

2. Provide proof of loss requirements at a reasonable frequency required by Us.
3. Fully cooperate with Us concerning all matters relating to this policy and any claims filed under the policy.

We will:

1. Promptly notify You and the Owner (if You are not the Owner) if any additional proof of loss requirements are necessary before a claim determination can be made.
2. Pay the benefit as outlined by the policy provisions, subject to the proof of loss requirements.
3. Promptly notify You and the Owner (if You are not the Owner) if benefits are not payable and why.

We must be provided with satisfactory written proof of loss. This is information that We deem necessary to determine whether benefits are payable and the amount of benefits payable. If the proof of loss requirements We request are not received, the claim will be denied. Proof of loss requirements include but are not limited to:

1. Any requested claim form including claim forms from You and Your Doctor(s) or the correspondence described above;
2. Documentation demonstrating You are under Regular Care By A Doctor;
3. Documentation of objective medical evidence of Your Injury or Sickness;
4. Copies of medical records, test results and/or Doctor's notes;
5. Financial documents, which may include copies of federal income tax returns, Certified Public Accountant's statements, billing/expense information, bank statements, cancelled checks, IRS authorization, or other documents We deem necessary;

6. Examination(s) of financial records performed by Us or an independent financial examiner hired by Us;
7. Employer/employment information;
8. Independent Medical Examination(s). (See Independent Medical Examination provision below);
9. Personal interview(s) with a company representative, which may be recorded and/or videotaped;
10. An examination or sworn statement under oath;
11. Other proof of loss requirements We deem necessary.

Any costs involved in submission of proof of loss requirements are Your responsibility to pay, except for costs incurred by Us in numbers 4, 6, 8, 9, and 10 above.

INDEPENDENT MEDICAL EXAMINATION

We have the right to require medical examinations, functional capacity evaluations and/or psychiatric examinations in the evaluation of what benefits, if any, are payable. The examinations may include x-rays, blood and urine tests, psychological tests, and other tests or procedures that We deem reasonable to evaluate whether You continue to meet the definition of Disability. The examinations will be performed by a doctor or specialist We deem appropriate for the condition and will be conducted at the time, place, frequency, and under the conditions We reasonably require, while You claim to be Disabled. We reserve the right to choose the examiners. The examinations will be paid for by Us. Benefits will be denied or may be suspended if You fail to undergo an examination, or if you fail to cooperate with the person conducting the examination. Benefits may be resumed, if the required examination occurs within a reasonable time and benefits are payable.

CONTINUING BENEFITS

Continuing benefits are subject to the proof of loss requirements in this section. If continuing proof of loss requirements are not received by Us, further benefits will be denied.

PAYMENT OF A CLAIM

If it is determined that benefits are payable, We will:

1. Pay the first month's benefit one month from the date the Elimination Period is satisfied.
2. Pay one-thirtieth of the appropriate monthly benefit for each day of any period of less than a full month for which benefits are payable.
3. Pay continuing monthly benefits at the end of each month of Disability (subject to the proof of loss requirements in this section).
4. Pay any unpaid benefits due when Your Disability ends.
5. Pay benefits to the Benefit Recipient unless otherwise indicated in the policy or any attached riders.
6. If during a Disability, You are determined to not be competent, or upon Your death, We may pay up to \$5,000.00 in any due and unpaid benefits to:
 - a. Your surviving spouse; if none, then
 - b. Equally to Your surviving natural and adopted children; if none, then

- c. Equally to Your surviving parent(s); if none, then
- d. Your estate.

If We pay this amount in good faith, We will not be liable to anyone else for the amount We paid. In order for Us to continue paying benefits beyond \$5,000.00, We will require proof of a durable power of attorney or the appointment of a conservator.

If we pay benefits more than 30 days after we receive satisfactory proof of loss, the delayed payment shall be subject to simple interest at the rate of 10% per year beginning with the 31st day after receipt of the satisfactory proof of loss and ending on the day the benefit is paid.

OVERPAYMENT OF BENEFITS

If an overpayment of benefits should occur, We have the right to either recoup the overpayment from future claim benefits from this policy or any attached riders, including the Death Benefit rider if attached to this policy, or require reimbursement within 60 days from You.

LEGAL ACTION

Legal action may not be started against Us to recover on this policy until 60 days after filing of proof of loss and not more than 3 years after the filing of proof of loss as required under this policy.

PREMIUMS AND REINSTATEMENT

PAYMENT OF PREMIUM

The first premium for this policy is due on the Policy Date. After that, premiums are payable in the amount and frequency chosen from those shown on the Data Page. The Owner may change the frequency of premium payments except that We will not allow a change while You are Disabled. All premiums are to be sent as provided in the premium notices.

There is no premium discount based on payment frequency. An annual payment is the total of 12 monthly payments, four quarterly payments, or two semi-annual payments.

GRACE PERIOD

Except for the first premium, We allow a grace period of 31 days after the premium due date to pay the premium due. The policy will stay in force during the grace period.

REFUND OF PREMIUMS

Any refund of premiums made under this policy or attached riders will be paid to the Benefit Recipient unless premiums are remitted by Your employer. In this case, all premium refunds will be paid to Your employer.

REFUND AFTER DEATH

We will refund any full month's premium paid for coverage beyond the date of Your death. We must be given written proof, satisfactory to Us, of Your death. The premium refund will be paid as specified in the Refund of Premiums provision. If there is no Benefit Recipient or employer who remitted premiums, then We will refund any premium to the Owner if the Owner is not You. Otherwise the premium will be refunded to:

1. Your surviving spouse; if none, then
2. Equally to Your surviving natural and adopted children; if none, then

3. Equally to Your surviving parent(s); if none, then
4. Your estate.

TERMINATION

This policy terminates on the earliest of the following:

1. Your Policy Termination Date on Your most current Data Page unless renewed under the Conditional Renewal section of this policy; or
2. Our receipt of the Owner's written request to terminate it; or
3. The end of the grace period; or
4. Your death.

If You are Disabled under the terms of this policy (not to include the Waiver of Premium Benefit) prior to and continuing through the date specified in number 1 above, then this policy will remain in force with no further premiums due until the earlier of the end of Your Disability or the end of the Maximum Benefit Period.

If this policy terminates due to Our receipt of the Owner's written request to terminate it, We will refund the pro rata portion of any premium paid beyond the effective date of the termination.

REINSTATEMENT

With Our approval, this policy may be reinstated anytime within one year after termination. We may require an application and evidence of insurability under Our then current underwriting guidelines.

When We require an application for reinstatement and if We have received the required premiums, reinstatement takes effect on the date We approve the application. If We do not decline reinstatement in writing within 45 days from the date of the application, the policy will be reinstated on the 45th day after the date of the application.

When no application for reinstatement is required by Us, reinstatement takes effect on the date We receive the required premiums in Our Home Office.

A reinstated policy only covers a Disability from:

1. A Sickness which first manifests itself on or after the date reinstatement takes effect; or
2. An Injury which occurs on or after the date reinstatement takes effect.

A reinstated policy is subject to any provisions or changes attached to the reinstated policy.

SUSPENSION DURING MILITARY SERVICE OR WORKING IN AN ACTIVE MILITARY ZONE

Upon written request to Us or Our authorized agent, this policy may be suspended while You are on active duty in the military service of any nation or international authority, or in a reserve component of the armed forces of the United States. Coverage may be suspended on the earlier of the date We receive Your written request, or the date Your active duty begins (or a later date if requested by You). Active duty does not include training by reservists that lasts 90 days or less. If You choose not to exercise the option when active duty begins, You can suspend coverage as of the date deployed outside the United States or Canada.

An Insured can maintain their policy and suspend premium payments while in full-time active military duty. The policy will not pay benefits for a disability that occurs while the policy is suspended. This suspension provision is optional and can last a maximum of five years from the date of suspension.

You will have no coverage under this policy during the period of suspension, and no premiums will be due. Disabilities that occur while this policy is suspended are not covered. We will refund the pro rata portion of any premium paid for a period beyond the date of suspension. The suspended policy may be restored without proof of insurability if:

1. The suspension ends within 5 years from the date of suspension; and
2. The Owner applies in writing and premiums are paid within 180 days following the date of termination of the period of active duty, or deployment outside the United States or Canada, based on Your request.

Your coverage will start again as of the latest of:

1. The date Your deployment outside the United States or Canada ends; or
2. The date You request; or
3. The date We receive Your written request, subject to receipt of the request and payment of the required premiums to restore the policy within 180 days of the end of Your active duty.

Only a Disability from a Sickness which first manifests itself or an Injury which occurs on or after the policy is restored is covered. Once restored, all rights under the policy will be the same as before the policy was suspended. Premiums will be at the same rate as they would have been had the policy remained in force.

In calculating the completion of the Elimination Period for an Injury or Sickness that did not arise during a period of active duty, the Elimination Period is the same number of days that would have applied before coverage suspension took effect and may be consecutive or may be interrupted by the period of suspension.

6. [SUSPENSION DURING A PANDEMIC

Upon written request to Us or Our authorized agent, this policy may be suspended while You are unemployed due to a pandemic as declared by Centers for Disease Control and Prevention or World Health Organization and declared a national emergency in the United States or if the Secretary of Health and Human Services declares a Public Health Emergency. The suspension will be for [90]^{6a} days or until You request whichever is less. You may suspend Your policy one time during a [12-month]^{6b} period. You will have no coverage under this policy during the period of suspension, and no premiums will be due. Disabilities that occur while this policy is suspended are not covered. We will refund the pro rata portion of any premium paid for a period beyond the date of suspension.

Prior to the completion of the [90 days]^{6a}, the suspended policy may be restored without proof of insurability by notifying Us and payment of premiums is resumed. The suspension of this policy will also end in the event of the Insured's death.

Your coverage will start again, subject to payment of required premiums to restore the policy, as of the later of either the date We receive the written request, or the date the suspension time is completed. Only a Disability from a Sickness which first manifests itself or an Injury which occurs after the policy is restored is covered. Once restored, all rights under the policy will be the same as before the policy was suspended. Premiums will be at the same rate as they would have been had the policy remained in force.

CONDITIONAL RENEWAL

This policy is conditionally renewable on an annual basis beginning with the Policy Termination Date listed on Your most current Data Page for life if the terms and conditions of this section are met.

To renew the policy for one year, all of the following conditions must be satisfied:

1. You are not receiving a benefit under this policy or any attached rider at the time of renewal.
2. You must have been Working at least 30 hours each week for the 12 consecutive months preceding renewal.
3. You are Working at least 30 hours a week at the time of renewal.
4. The policy is in force with no premium in default.
5. We receive the Owner's renewal request in writing by the Policy Termination Date listed on Your most current Data Page and by each Policy Anniversary thereafter for any subsequent one-year renewals.
6. The renewal policy premium is paid. The renewal policy premium will be based on those rates in effect for Your age at the time of renewal.

An Insured has the option to renew their policy annually beginning at the policy Termination Date. To be eligible, the Insured must be working at least 30 hours per week and must not be receiving benefits from their policy.

We reserve the right to require proof from time to time that You continue to Work at least 30 hours a week. If at any time You are Working less than 30 hours a week, this policy will terminate as of the date You no longer Worked at least 30 hours a week. We will return the unearned premiums paid for any period not covered by this policy.

Short term absence because of a regularly scheduled day off, holiday, vacation day, jury duty, funeral leave, or personal time off, paid family and medical leave for the care of a qualified family member or an approved FMLA leave of absence for the care of a qualified family member is considered Working provided You are able and available for active performance of all Your regular duties and were Working the day immediately prior to the date of Your absence.

If the policy is renewed under this section, the benefits are the same, and subject to the same terms, as those in the policy, except as follows:

1. For any period of Disability beginning after renewal and while this policy is in force, the Maximum Benefit Period is two years; and
2. Benefits are not payable for Disability beginning after renewal if You are Retired or Unemployed; and
3. All riders that contain a Termination provision are not renewable under this section; and
4. Any other riders, including exclusion or modified coverage riders, will be renewed and remain a part of this policy.

POLICY ADJUSTMENT OPTIONS

Subject to Our then current underwriting guidelines which may include requiring evidence of insurability, the Owner may request policy adjustments while the policy is in force with no premiums in default, and You are not Disabled. Benefit decreases or removal of benefit riders do not require any evidence of insurability. Evidence of insurability requirements for exercising adjustment options within a benefit rider are found within the benefit rider itself. Other adjustments, such as increases to base or rider benefits, additions of benefit riders, removal of underwriting exclusion or limitation riders, or any other adjustments, may be subject to full medical and financial underwriting. To request an adjustment, an application signed by the Owner is required. If evidence of insurability is required, the application must also be signed by You, if You are not the Owner. An adjustment is effective on the Adjustment Date, subject to Our prior approval and Our receipt of the required premium.

The adjusted benefits apply to a Disability from a Sickness which first manifests itself or an Injury which occurs on or after the Adjustment Date and while this policy is in force.

No adjustment, requiring an application, may be requested if You reside outside of the United States, the 50 states and the District of Columbia.

Any adjustment will change the information on the Data Page. We will provide new Data Pages.

THE CONTRACT

ENTIRE CONTRACT

The policy, the attached applications, and any attached riders or endorsements make up the entire contract.

After the Policy Date, Your eligibility is conditioned upon Your payment of premium by the end of each grace period. Eligibility to receive benefits is subject to all other requirements under this policy.

ALTERATIONS

Only Our corporate officers may modify or waive anything in, or approve changes to, the policy. The change must be attached to the policy. No one else, including the agent or broker, has the authority to change the policy or waive any provision.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This policy was approved under the authority of the Interstate Insurance Product Regulation Commission (IIPRC) and issued under the IIPRC standards. Any provision of this policy that on the provision's effective date is in conflict with IIPRC standards for this product type is hereby amended to conform to the IIPRC standards for this product type as of the provision's effective date.

TIME LIMIT ON CERTAIN DEFENSES

In issuing the coverage(s) under this policy and any attached riders, We have relied on the statements and representations on the application. We have the right to void the coverage(s) due to a material misstatement in the application. However, after two years from the effective date of coverage(s), no material misstatements, except fraudulent statements made by You or the Owner in an application will be used to void the coverage(s).

Applications include but are not limited to: 1) the initial application(s) and 2) any applications for reinstatement, increase option rider(s), and/or any underwritten adjustment.

No claim for Disability or loss covered by this policy or any attached riders starting after two years from the date coverage has been in effect will be reduced or denied because a Sickness or Injury existed before the effective date of coverage(s) unless the condition is excluded by name or description. Sickness or Injury fully disclosed on the application(s) will be covered, unless excluded by name or description.

FRAUD

Upon a judicial decision in a civil or criminal court that You and/or the Owner have committed fraud in obtaining this policy, We may void this policy. Upon a judicial decision in a civil or criminal court that You and/or the Owner have committed fraud in filing a claim under this policy, We may void the claim. The ability to void the policy and/or the claim pursuant to this provision is not dependent on or limited by any

of the terms set forth in the Time Limit on Certain Defenses provision, nor does this provision restrict, limit, or impose any additional conditions on the ability to exercise any of the rights set forth in the Time Limit on Certain Defenses provision.

MISSTATEMENT OF AGE

If Your age has been misstated, the coverage of this policy will be what the premium paid would have purchased at Your correct age.

CHANGE OF OWNER OR BENEFIT RECIPIENT

The Owner may name a new Owner or Benefit Recipient by giving Us a request in writing. Our approval is required, and the change is not effective until We approve it. Once approved, the change is effective on the date the request was signed by the Owner.

If this policy is owned by a corporation and the Insured leaves the company, ownership will transfer to the Insured on termination of employment.

ASSIGNMENT

You may assign Your rights under this policy by giving Us written notice. We are not bound by an assignment until received in a written form acceptable to Us at Our Home Office. The assignment will take effect on the date the written notice is signed, unless otherwise specified by the Owner, subject to any payments made or action by Us before We receive the written notice of such assignment. We assume no responsibility for any assignment's validity. An assignment does not change the ownership of this policy.

ANNUAL INCREASE RIDER

This rider is part of the policy. It is issued in consideration of the application and payment of the premiums for the policy to which it is attached. All definitions, provisions, exceptions, limitations, and other terms of the policy apply to this rider unless specifically changed by this rider. The effective date of this rider is shown on Your most current Data Page.

There is no additional cost for this rider. It provides an automatic annual 3% increase until the earlier of 20 years or the insured's age 50.

DEFINITIONS

DURATION – is the time from Your Option Date to the Termination Date shown on Your most current Data Page.

INCREASE FACTOR - is shown on Your most current Data Page.

OPTION ANNIVERSARY – is the annual anniversary of the Option Date. For example, if the Option Date is June 5, 2022, the Option Anniversary is June 5 of every year thereafter. If the policy is sponsored by an employer, and You leave the company, the Option Anniversary may change to the Policy Anniversary, if different, and We will provide new Data Pages.

OPTION DATE – is shown on Your most current Data Page.

INCREASE OPTION

This rider provides the opportunity to increase the Maximum Monthly Benefit without medical or financial underwriting. Increases are offered on each Option Anniversary during the Duration, subject to the Limitations and Conditions provision of this rider.

This rider is available either independent of, or in conjunction with the Maximize Your Benefit rider.

Any increase to the Maximum Monthly Benefit resulting from this rider will be effective on the Option Anniversary for which it is offered, subject to the Acceptance And Rejection Of An Offer provision of this rider.

The increase is determined by multiplying the Maximum Monthly Benefit on the Option Anniversary just prior to the scheduled increase by the Increase Factor. If the Owner has decreased the Maximum Monthly Benefits under the Policy Adjustment Options section of the policy since the prior Option Anniversary, the Maximum Monthly Benefit is the decreased amount, which is then multiplied by the Increase Factor.

ACCEPTANCE AND REJECTION OF AN OFFER

The new premium amount which results from an increase offer made under this rider will be automatically billed. Increases are accepted by paying the new premium. Increases may be rejected by notifying Us in writing no later than 30 days after the Option Anniversary or by not paying the increase in premium. New Data Pages reflecting any increase in benefits and premium will be provided.

LIMITATIONS AND CONDITIONS

Increases provided by this rider are subject to the following limitations and conditions:

1. The adjusted Maximum Monthly Benefit applies to new Disabilities which start on or after that Option Anniversary. A Recurring Disability is not a new Disability.
2. Increases will not be offered for any Option Anniversary on which benefits are payable or premiums are waived under the policy or any attached rider.
3. This increase is provided without evidence of insurability but will not exceed increases allowed

under Our then current underwriting guidelines.

TERMINATION

This rider terminates, with no further offers available, on the earliest of the following:

1. The Owner rejects any two consecutive automatic increase offers under this rider; or
2. You reach the Termination Date listed on Your most current data page for this rider; or
3. The Owner sends Us a written request to terminate this rider; or
4. The policy, of which this rider is a part, terminates.

REINSTATEMENT

If this rider terminates under numbers 1 or 3 in the Termination section above, the Owner may request reinstatement of this rider subject to Our underwriting guidelines then in effect.

If this rider terminates under number 4 in the Termination section above, it will be reinstated subject to Our underwriting guidelines then in effect, assuming the policy is reinstated in accordance with the policy terms for policy reinstatement.

OTHER BENEFITS

WAIVER OF PREMIUM BENEFIT

The Waiver of Premium Benefit provision of the policy will also apply to Your Continuous Catastrophic Disability, and the terms as used in the Waiver of Premium Benefit provision are amended as follows:

The same Waiver of Premium Benefit applies to include Catastrophic Disability if this rider is included in the policy.

The offer will be the maximum allowable benefit based on your Our then current underwriting guidelines except You will not be required to provide evidence of medical insurability. You may accept all, part or none of the offer to increase the Catastrophic Disability Benefit. The amount of Catastrophic Disability Benefit accepted has no effect on the Maximize Your Benefit Rider.

When a policy has the Maximize Your Benefit Rider, the option to increase the base coverage may also include an option to increase the Catastrophic Disability Benefit coverage.

The new premium amount for the Catastrophic Disability Benefit resulting from a Maximize Your Benefit adjustment will be automatically billed. Increases are accepted by paying the new premium. Increases

may be rejected by notifying Us in writing no later than 30 days after the offer is made or by not paying the increase in premium.

Increases may be rejected by notifying Us in writing no later than 30 days after the Option Anniversary or by not paying the increase in premium.

The adjusted Catastrophic Disability Benefit applies to new Catastrophic Disabilities which start on or after the Benefit Update adjustment date. A Recurring Catastrophic Disability is not a new Catastrophic Disability.

A Benefit Update adjustment to the Catastrophic Disability Benefit resulting from Our offer will be effective on the Option Anniversary, subject to the Owner accepting Our offer. In the event of an Advance Option, the effective date is the Adjustment Date shown on the new Data Page. Any adjustment will change the information on the policy's Data Pages and new Data Pages will be provided.

COST OF LIVING ADJUSTMENT RIDER

This rider is part of the policy. It is issued in consideration of the application and payment of the premiums for this rider and for the policy to which it is attached. All definitions, provisions, exceptions, limitations, and other terms of the policy apply to this rider unless specifically changed by this rider. The effective date of this rider is shown on the Data Page.

There is an additional cost for this rider. During a disability, it provides a cost of living adjustment to the monthly benefit amount.

DEFINITIONS

ADJUSTED MAXIMUM MONTHLY BENEFIT -- means the Maximum Monthly Benefit(s) shown on the Data Page in effect at the start of Your Continuous Disability plus any cost of living adjustments made under this rider.

The definitions explain the causes of a change in the Maximum Monthly Benefit and how the benefit change is calculated.

CHANGE DATE -- means each yearly anniversary of the start of a Continuous Disability. If a new Elimination Period is required because of a new Disability, new Change Dates will be set for the new Disability.

CPI-U -- means the average Consumer Price Index for all Urban Consumers (CPI-U) published by the United States Department of Labor. If the CPI-U is discontinued, delayed, or not otherwise available, we will use a similar index upon approval by the Interstate Insurance Product Regulation Commission. We will notify you of any change in the index before we use it.

COST OF LIVING ADJUSTMENT (COLA) FACTOR

The COLA Factor is, as of any Change Date, a factor which is based upon the change in the CPI-U on an annual basis. On the first Change Date, it is calculated by dividing the CPI-U for the calendar month three months before the first Change Date by the CPI-U for the calendar month three months before the date Your Continuous Disability began. In subsequent years, it is calculated by dividing the CPI-U for the calendar month three months before the current Change Date by the CPI-U for the calendar month three months before the prior year's Change Date.

These are the factors that cause a COLA adjustment change and conditions of those adjustments.

The COLA Factor cannot be:

1. Less than one; or
2. Greater than one plus the COLA Maximum Percent shown on the Data Page.

BENEFITS

This rider may provide for a cost of living adjustment to Your Maximum Monthly Benefit during the period of Your Continuous Disability.

On the first Change Date We will adjust the Maximum Monthly Benefit(s) shown on the Data Page in effect at the start of Your Continuous Disability, by multiplying by the COLA Factor. On subsequent Change Dates, the new Adjusted Maximum Monthly Benefit will be determined by multiplying the previous year's Adjusted Maximum Monthly Benefit by the current year's COLA Factor. These Adjusted Maximum Monthly Benefits will then be used to calculate Your monthly benefits.

No further adjustments in benefits under this rider will be made after the first of:

1. The end of Your Continuous Disability; or
2. The end of the Maximum Benefit Period.

Unless You adjust the policy as described in the Purchase Option provision, the Adjusted Maximum Monthly Benefit will end when the Continuous Disability ends. If a new Elimination Period is required for a new Disability, the Maximum Monthly Benefits are the amounts shown on the Data Page.

PURCHASE OPTION

Within 90 days after Your Continuous Disability ends, the Owner may adjust the policy to increase the Maximum Monthly Benefit shown on Your most current Data Page if Your Maximum Monthly Benefits were increased by this rider.

COLA options are 3% or 6%.

The amount of the increase will be:

1. The last Adjusted Maximum Monthly Benefit;

LESS
2. The Maximum Monthly Benefit shown on the Data Page.

The increased Maximum Monthly Benefit applies to new Disabilities which start on or after the Adjustment Date. A Recurring Disability is not a new Disability.

An increase may be made as provided in the Policy Adjustment Options section of the policy except that You need not show evidence of good health. We must receive the adjustment application within 90 days after Your Continuous Disability ends. The additional premium must be paid within 31 days of the Adjustment Date. We will provide a new Data Page for any increase made under this provision.

TERMINATION

This rider terminates on the earliest of the following:

1. The Policy Termination Date listed on Your most current Data Page; or
2. Our receipt of the Owner's written request to terminate it; or
3. Termination of the policy of which it is a part.

If You are eligible for benefits under the terms of the policy or any attached riders (not to include the Waiver of Premium Benefit) prior to and continuing through the date specified in number 1 above, then the policy and this rider will remain in force with no further premiums due until the earlier of the end of Your Disability or the end of the Maximum Benefit Period.

All definitions, provisions, exceptions, limitations, and other terms of the policy apply to this rider unless specifically changed by this rider. DEFINITIONS

HOSPITAL -- means a facility legally operating as a hospital which:

1. Is mainly engaged in providing inpatient care and treatment of sick or injured persons, and routinely makes a charge for such care; and
2. Is supervised by a staff of physicians on the premises; and
3. Provides 24-hour nursing services on the premises by registered nurses.

In no event will Hospital include any institution:

1. Which is operated as a rest, nursing, or convalescent facility, or a long-term nursing care facility; or
2. Which is mainly for the care of the aged, or which primarily affords custodial, rehabilitative or educational care.

MENTAL/NERVOUS/SUBSTANCE ABUSE DISABILITY -- means any Disability which is due to Mental/Nervous/Substance Abuse Disorder(s).

MENTAL/NERVOUS/SUBSTANCE ABUSE DISORDER -- means any disease or disorder classified in the most current Diagnostic and Statistical Manual of Mental/Nervous Disorders (DSM) published by the American Psychiatric Association (APA). If the DSM is discontinued or replaced by the APA, Mental/Nervous/Substance Abuse Disorder will mean any disease or disorder classified in the diagnostic manual in use by the APA as of the date Disability begins. If the APA no longer publishes a diagnostic manual or the APA ceases to exist, We may substitute a comparable diagnostic manual subject to prior approval by the Interstate Insurance Product Regulation Commission. These Disorders are considered Sicknesses for purposes of the policy.

Mental/Nervous/Substance Abuse Disorder does not include dementia that is a result of any of the following conditions:

1. stroke;
2. head injury;
3. viral infection; or
4. Alzheimer's disease.

MONTHLY BENEFIT -- means benefits payable under the terms of the Disability Benefit section of the policy and any rider that provides a monthly benefit.

OTHER CONDITION -- means a medical condition that is not a Mental/Nervous/Substance Abuse Disorder or is not caused by, or a result of, Your Mental/Nervous/Substance Abuse Disorder.

LIMITATIONS

Monthly Benefits for Mental/Nervous/Substance Abuse Disability will not be paid for more than a total of 24 months during your entire lifetime. This 24-month limit does not apply separately to each type of Monthly Benefits, but rather to Monthly Benefits as a whole. However, subject to the Maximum Benefit Period shown on the current Data Page and all other provisions of the policy and any rider, We will pay Monthly Benefits as long as You are continuously confined as an inpatient in a Hospital.

Your policy's Waiver of Premium Benefit will continue without regard to the 24-month limitation, provided You otherwise meet the requirements for that benefit.

If during a period of Mental/Nervous/Substance Abuse Disability You incur any Other Condition, this rider's 24-month limit will not apply as long as the Other Condition, standing alone, would cause Disability.

If a Continuous Disability for a Substance Abuse Disability is paid for a total of 24 months and You have a Disability due to a Mental/Nervous condition other than a Substance Abuse Disability, we may pay up to a total of 12 months for the other Mental/Nervous condition during Your entire lifetime.

This rider limits all relevant disability claims to a 24-month lifetime benefit (in TX, the limitation is for each Continuous Disability) including the Catastrophic Disability Benefit Rider. Benefits can be extended when the Insured is hospitalized continuously as inpatient beyond 24 months.

TERMINATION

This rider terminates on the earliest of the following:

1. The Policy Termination Date listed on Your most current Data Page; or
2. Termination of the policy of which it is a part.

This rider may not terminate prior to the policy terminating.

If You are eligible for benefits under the terms of the policy or any attached riders (not to include the Waiver of Premium Benefit) prior to and continuing through the date specified in number 1 above, then the policy and this rider will remain in force with no further premiums due until the earlier of the end of Your Disability or the end of the Maximum Benefit Period.

The definitions listed below apply only to this rider unless specifically identified. The effective date of this rider is shown on the Data Page.

There is no cost for this rider. It pays a benefit to the Insured if they, as a result of injury or sickness, have total loss of speech; hearing of both ears; sight of both eyes; or use of both hands, both feet, or one hand and one foot.

DEFINITION

3. Sight of both eyes; or
4. The use of both hands, both feet, or one hand and one foot.

PRESUMPTIVE DISABILITY BENEFIT

If You meet the definition of Presumptive Disability, We will consider You Disabled and pay benefits for Total Disability under the Disability Benefit section of the policy, regardless of Your ability to Work or earn an income.

Benefits will start to accrue when the Presumptive Disability occurs, even if the Elimination Period has not been satisfied. Monthly benefits will be paid as long as the Presumptive Disability continues, but no longer than the Maximum Benefit Period.

Once We begin paying benefits under this rider, the Regular Care By A Doctor requirement specified in the policy is waived.

RESIDUAL DISABILITY AND RECOVERY BENEFIT RIDER

This rider is part of the policy. It is issued in consideration of the Application and payment of the premiums for this rider and for the policy to which it is attached. All definitions, provisions, exceptions, limitations, and other terms of the policy apply to this rider unless specifically changed by this rider. The effective date of this rider is shown on the current Data Page.

There is an additional cost for this rider. It provides a benefit when an Insured is partially disabled based on a loss of earnings or an inability to work to full capacity in their Own Occupation.

RESIDUAL DISABILITY DEFINITIONS

CHANGE DATE -- means each yearly anniversary of the start of a Continuous Disability. If a new Elimination Period is required because of a new Disability, new Change Dates will be set for the new Disability.

CPI-U -- means the average Consumer Price Index for all Urban Consumers (CPI-U) published by the United States Department of Labor. If the CPI-U is discontinued, delayed, or not otherwise available, we will use a similar index upon approval by the Interstate Insurance Product Regulation Commission. We will notify you of any change in the index before we use it.

CURRENT EARNINGS -- means Your Earnings for each month while You are Disabled.

INDEX FACTOR -- means, as of any Change Date, a factor which is based upon the change in the CPI-U on an annual basis. On the first Change Date, it is calculated by dividing the CPI-U for the calendar month three months before the first Change Date by the CPI-U for the calendar month three months before the date Your Continuous Disability began. In subsequent years, it is calculated by dividing the CPI-U for the calendar month three months before the current Change Date by the CPI-U for the calendar month three months before the prior year's Change Date. The Index Factor will never be less than 1.

LOSS OF EARNINGS -- means Your Prior Earnings minus Current Earnings. This difference will be considered Loss of Earnings to the extent such loss is directly and independently due to the Injury or Sickness which caused Your Disability. We reserve the right to at least annually review and adjust Your Loss of Earnings and benefit payments to take into account fluctuations in Earnings.

PRIOR EARNINGS -- means Your monthly average Earnings during the two consecutive calendar years with the highest Earnings in the three calendar years prior to the claimed date of disability. On each Change Date We will adjust the Prior Earnings by multiplying the Prior Earnings, as of the current Change Date, times the Index Factor. If a new Elimination Period is required because of a new Disability. Your Prior Earnings will again be determined for the new Disability without regard to any previous indexing.

RESIDUAL DISABILITY -- means:

1. During Your Elimination Period:
 - a) You are not Totally Disabled; and
 - b) You are Working in Your Own Occupation or another occupation; and
 - c) Solely due to Injury or Sickness:
 - I. You are able to perform some, but not all, of the Substantial and Material Duties of Your Own Occupation; or
 - II. You are unable to Work Full Time in Your Own Occupation; or
 - III. You have a Loss of Earnings greater than or equal to 15%.

2. After Your Elimination Period:
 - a) You are not Totally Disabled; and
 - b) You are Working in Your Own Occupation or another occupation; and
 - c) Solely due to Injury or Sickness You have a Loss of Earnings greater than or equal to 15%, and one of the following apply:
 - I. You are able to perform some, but not all, of the Substantial and Material Duties of Your Own Occupation; or
 - II. You are unable to Work Full Time in Your Own Occupation.
3. You satisfy the requirements of the Claim Information section of the policy.

If You are Retired, Residual Disability means, solely due to Injury or Sickness, Your ability to perform the normal activities of a retired person in good health and of like age is restricted. If You are Unemployed, Residual Disability means, solely due to Injury or Sickness, Your ability to obtain a job that You are reasonably suited for by education, training and experience is restricted.

While You are Working during a period of Residual Disability, You must Work to the full capacity allowed medically and vocationally in that occupation by Your Injury or Sickness. If You choose not to Work to full capacity, benefits will be paid as if You are Working at full capacity in that occupation.

If You are not Totally Disabled and You choose not to Work, even though You are able to Work at any occupation for which You are reasonably suited by education, training and experience, benefits will be paid as if You are Working at full capacity in that occupation.

RESIDUAL DISABILITY BENEFITS

We will pay a percentage of the Maximum Monthly Benefit under the Disability Benefit section of the policy for Residual Disability that begins on or after the effective date of this rider and while the policy and this rider are in force and subject to the policy and rider provisions. Benefits start to accrue at the end of the Disability Benefit section's Elimination Period. Benefits for Residual Disability are payable to the end of the Maximum Benefit Period.

Income earned by a business or professional entity will be determined by Your choice of either the cash or accrual accounting method. The same method will be used to determine both Prior Earnings and Current Earnings throughout a Disability. If the cash method is used, income earned but not received prior to the start of a Disability will be excluded from Your Current Earnings.

Regardless of the accounting method used, any bonuses or lump sum payments You receive will be assigned on a pro-rata basis to each month during which they are earned and retroactive adjustments will be made to the benefits previously paid under the policy.

For Residual Disability, the monthly amount We will pay is:

$$\frac{\text{Prior Earnings} - \text{Current Earnings}}{\text{Prior Earnings}} \times \text{Maximum Monthly Benefit}$$

When the percentage payable exceeds 75% We will pay 100% of the Maximum Monthly Benefit.

For the first 12 months of a Residual Disability following the Elimination Period, the percentage paid will not be less than 50%.

If You are Retired or Unemployed, 50% of the Maximum Monthly Benefit will be paid for Residual Disability.

RECOVERY BENEFIT DEFINITIONS

RECOVERY CURRENT EARNINGS -- means Your monthly Earnings after You return to Full Time Work.

RECOVERY LOSS OF EARNINGS -- means Your Recovery Prior Earnings minus Your Recovery Current Earnings for the months after You return to Full Time Work. This difference will be considered Loss of Earnings to the extent such loss is directly and independently due to the Injury or Sickness which caused Your Disability. We reserve the right to review and adjust Your Loss of Earnings and benefit payments to take into account fluctuations in Earnings.

A recovery benefit will be provided to the Insured if they are no longer disabled but still have a loss of income as they return to full time work.

RECOVERY PRIOR EARNINGS -- means Your monthly average Earnings during the two consecutive calendar years with the highest Earnings in the three calendar years before a Continuous Disability began.

RECOVERY BENEFIT

We will provide a Recovery Benefit if:

1. You are no longer Disabled; and
2. You are not receiving benefits under the Disability Benefit section of the policy; and
3. You return to Full Time Work immediately after a Continuous Disability for which benefits were payable under the Disability Benefit section of the policy; and
4. You have a Recovery Loss of Earnings equal to or greater than 20% of Your Recovery Prior Earnings; and
5. It can be validated that Your Recovery Loss of Earnings is directly and solely due to the prior Injury or Sickness that caused Disability; and
6. You satisfy the requirements of the Claim Information section of the policy.

To receive benefits an Insured must have a Recovery loss of earnings of at least 20% of their pre-disability earnings.

If You were Retired or Unemployed prior to Disability, no Recovery Benefits will be payable.

Income earned by a business or professional entity will be determined by Your choice of either the cash or accrual accounting method. The same method will be used to determine both Recovery Prior Earnings and Recovery Current Earnings. If the cash method is used, income earned but not received prior to the start of a Disability will be excluded from Your Recovery Current Earnings. If Residual Disability Benefits were payable just prior to Your eligibility to the Recovery Benefit, then the same accounting method that was used to calculate the Residual Disability Benefit will be used to calculate the Recovery Benefit.

Regardless of the accounting method used, any bonuses or lump sum payments You receive will be assigned on a pro-rata basis to each month during which they are earned and retroactive adjustments will be made to the benefits previously paid under the policy.

The amount of Recovery Benefit payable will be:

$$\frac{\text{Recovery Prior Earnings} - \text{Recovery Current Earnings}}{\text{Recovery Prior Earnings}} \times \text{Maximum Monthly Benefit}$$

If the Cost of Living Adjustment Rider is a part of the policy, then the Recovery Benefit will be calculated based on the Adjusted Maximum Monthly Benefit being paid when You recovered from Your Disability. There will be no additional increases under the Cost of Living Adjustment Rider while Recovery Benefits are payable under this rider. There will be no Indexing of Recovery Prior Earnings while Recovery Benefits are payable under this rider.

The Waiver of Premium benefit in the policy will be provided while Recovery Benefits are payable under this rider. Other benefits provided by Your policy will not be payable.

Recovery Benefits end when You no longer have a Recovery Loss of Earnings greater than 20% for any two consecutive months.

Recovery Benefits may not be paid beyond the policy Maximum Benefit Period.

While You are Working during a period of Residual Disability, You must Work to the full capacity allowed medically and vocationally in that occupation by Your Injury or Sickness. If You choose not to Work to full capacity, benefits will be paid as if You are Working at full capacity in that occupation.

If You are not Totally Disabled and You choose not to Work, even though You are able to Work at any occupation for which You are reasonably suited by education, training and experience, benefits will be paid as if You are Working at full capacity in that occupation.

BENEFITS FOR RESIDUAL DISABILITY

We will pay a percentage of the Maximum Monthly Benefit under the Disability Benefit section of the policy for Residual Disability that begins on or after the effective date of this rider and while the policy and this rider is in force and subject to the policy and rider provisions. Benefits start to accrue at the end of the Disability Benefit section's Elimination Period. Benefits for Residual Disability are payable to the end of the Short Term Residual Disability Benefit Period shown on the Data Page but not beyond the Maximum Benefit Period.

This rider is available with either a 6-month or 12-month Benefit Period.

Income earned by a business or professional entity will be determined by Your choice of either the cash or accrual accounting method. The same method will be used to determine both Prior Earnings and Current Earnings throughout a Disability. If the cash method is used, income earned but not received prior to the start of a Disability will be excluded from Your Current Earnings.

Regardless of the accounting method used, any bonuses or lump sum payments You receive will be assigned on a pro-rata basis to each month during which they are earned and retroactive adjustments will be made to the benefits previously paid under the policy.

For Residual Disability, the monthly amount We will pay is:

$$\frac{\text{Prior Earnings} - \text{Current Earnings}}{\text{Prior Earnings}} \times \text{Maximum Monthly Benefit}$$

When the percentage payable exceeds 75% We will pay 100% of the Maximum Monthly Benefit.

If You are Retired or Unemployed, 50% of the Maximum Monthly Benefit will be paid for Residual Disability.

This rider terminates on the earliest of the following:

1. The Policy Termination Date listed on Your most current Data Page; or

If You are eligible to benefits under the terms of the policy or any attached riders (not to include the Waiver of Premium Benefit) prior to and continuing through the date specified in number 1 above, then the policy and this rider will remain in force with no further premiums due until the earlier of the end of Your Disability or the end of the Maximum Benefit Period.
